## Skills

### Language

HTML/ CSS/ JAVASCRIPT

### Framework and Library

ReactJS/ Redux, Redux Toolkit/ Bootstrap/ SCSS

### Version control

Git/ Github

### English

English basic

## Education

Completed a course at thayloc.com  
Completed courses html,css,js,react online  
courses at F8.edu.vn

## Overview

I started learning how to code from March 2022 and I've spent all my time studying. Besides studying at my mentor teacher, I also study on the F8.edu.vn website to improve my knowledge. I enjoy coding and the challenge of learning something new every day. I also value every career opportunity and will do everything in my power to add value to the company.

## PROJECTS

### food-delivery

SOURCE CODE:

<https://github.com/PhucSmile/food-delivery>

LIVE: <https://phucsmile.github.io/food-delivery/>
